Siblings are important! To Celebrate their unique contributions to family wellness, The Labatt Family Heart Centre is hosting its 5th Annual Sibling Day on Saturday, September 22, 2018!

The day will start with a Family Breakfast, to which all family members are invited. This will be followed by interactive activities for siblings, where they can meet peers, offer each other support and have fun! The rest of the family is free to enjoy two hours as they wish, and meet up again for a Family Lunch at noon. The day will end with a special ceremony, honoring the brothers and sisters of our patients.

We look forward to seeing you there!
